Re: Jefferson County Charter Meeting

Dear Derrick:

Attached are the proposed questions. I think they accurately reflect what the commission wanted to ask.

Sincerely,

## PROPOSED QUESTIONS FOR COUNTY OFFICIALS

1. Would you please tell us what the main duties are of your job and of your staff and what falls under your area of responsibility?
2. How can we as members of the Charter Commission in drafting the charter help benefit you in making your job even more successful in better serving the public?
3. Are there any duties of your job and of your staff that you feel should be added to your responsibilities or that can be better served in another manner?
4. Is there anything in particular that you would like to see in this charter?
5. Is there anything in particular that you do not want to see in this charter?
6. If we consider some type of a merit system for county employees within the charter, what does a merit system mean to you and do you feel this is a good or bad idea?
7. Realizing that we have no specifics at this time, do you have any other comments or questions regarding the charter and do you feel you can support a charter form of government for Jefferson County?
